### Health Care Systems: Interdisciplinary Approach

## LINKED CLASS

Rehabilitation Psychology and Special Education 300

### Individuals with Disabilities

## LINKED CLASS

Educational Psychology 320

### Human Development in Infancy and Childhood

This FIG will take an interdisciplinary approach to examining current issues in health care and the delivery of care in various settings to diverse populations.

**Nursing 105: “Health Care Systems: An Interdisciplinary Approach”** will focus on factors affecting health and the value placed on health, the delivery of health care in different settings, and the roles of various professionals in the healthcare system.

**Rehabilitation Psychology & Special Education 300: “Individuals with Disabilities”**

— This class is designed to introduce you to the history, etiology, and characteristics of specific categories of disability. It incorporates hands-on learning as you develop your own service-learning projects directly related to working with persons with disabilities.

**Educational Psychology 320: “Human Development in Infancy and Childhood”** —

Normative processes and individual differences in physical, mental, social and emotional development and behavior from infancy through late childhood.

This FIG is designed for students considering an application to the Nursing Program in the School of Nursing; courses in this FIG have been carefully selected to fulfill requirements for the Nursing Program. Acceptance into the School of Nursing is dependent on a number of factors including completion of specific courses and meeting minimum grade-point average requirements. If you are interested in this academic path, please meet with an advisor from the School of Nursing to get full information. ●

## Enrolled in a FIG and you change your mind?

FIG classes are designed to be taken together. When you enroll in a FIG, you are signed up for these classes as a whole group, not as separate classes.

### Dropping one FIG class means ending your enrollment in all of the classes in the FIG.

So, here's what you should know if you want to drop the FIG:

- You can drop all the classes on your own at [enroll.wisc.edu](https://enroll.wisc.edu). Any non-FIG class will not be affected.
- After classes begin, if you need to drop a single class within the FIG, please contact Kari Fernholz (see below) to review your situation. If necessary, she will provide the required authorization to drop the class.
- Wednesday, September 11, 2019** is the last day to drop a class without it appearing on your college transcript.
- Friday, September 13, 2019** is the last day to add a class without first getting department permission.
